POLARTEC® 100 SERIES
100% Polyester (Recycled)

A perfect companion for any season, the quarter zip fleece pullover is warm and very light. The breathable POLARTEC 100 fleece is made from recycled polyester and has a classic soft fleece structure inside and out. Wear it on its own or as a mid layer in a layering system - it's up to you. The pullover can be zipped right up to the neck for more warmth on icy-cold days.
